MAI LARKIN

Computer Science
Student

ABOUT ME

I am halfway through my second year at Te Herenga Waka, Victoria University of Wellington studying a Bachelor of Science, majoring in computer science, minoring in both AI and cybersecurity. This year I have tutored a first year cybersecurity course through the University and am also a member of the Women in Tech club. I am excited to gain real-world experience in an internship this summer and broaden my knowledge!

EXPERIENCE

Cybersecurity Tutor (CYBR171)

VUW | Kelburn, Wellington February 2025 - present

- Running two weekly lab sessions with other tutors to assist students with their CYBR171 labs
- Providing helpdesk service for labs, and marking students assignments
- Weekly group meetings with other tutors and course coordinator

Beauty Advisor (Fine Fragrance)

Farmers | Albany, Auckland November 2024 - January 2025

- Selling fine fragrances over the busy Christmas period
- Worked on a fixed term Christmas contract during the summer before returning to Wellington at the end of January
- Includes fragrance knowledge and working well in busy environment

EDUCATION

Victoria University of Wellington

Bachelor of Science | Major in Computer Science, minors in AI and Cybersecurity
February 2024 - Present

I am halfway through my second year at Te Herenga Waka (VUW). In the upcoming trimester I will be focusing entirely on my two minor areas, with advanced courses in AI, data science, cybersecurity and network engineering. These fields greatly interest me and I am excited to build on the knowledge that I already have!

EXTRACURRICULAR

Victoria University of Wellington

Women in Tech Club Member

February 2025 - Present

I am currently a member of the Women in Tech club at the University. I love having a community that allows women to feel supported in their degree when it can often feel like being in a minority. I hope to join the committee and be on the board for the club next trimester, as I feel passionate about creating an environment that is welcoming for women in the tech area.
